

Toridd Limited (RC-9821362) is an export-focused agricultural company headquartered in Lagos, Nigeria. We aggregate, process and deliver premium Nigerian agro-commodities in bulk to importers, ethnic wholesale distributors, supermarket chains and food processors. This sheet sets out how we source, what we supply and the terms we work on.

STRATEGIC SOURCING AND VALUE CHAIN

We manage quality directly from origin regions, from farm-gate to final container sealing.

Spices and chili peppers

Scotch bonnet, habanero and bird's eye chilli from Western Nigeria, selected for intense heat, natural colour and low-moisture logistics.

Crayfish

Small and big red-headed crayfish from Southern Nigeria, via coastal supply routes including Oron, Akwa Ibom and Badagry. Sun-dried, stone-free and protein-rich.

Hibiscus (zobo)

Dried hibiscus calyces from Northern Nigeria, held to food-grade, low-moisture standards.

Shea, sesame, egusi, ogbono and more

Shea butter, sesame, egusi and ogbono from Nigeria. Ginger, onion flakes, cashew and cocoa are also available.

QUALITY ASSURANCE AND COMPLIANCE

- Registered exporter: Toridd Limited is an NEPC registered exporter.
- Batch-specific documentation: every consignment is backed by batch-specific NAFDAC clearance, lab testing per batch, and NAQS phytosanitary documentation.
- Controlled processing: product is cleaned, sorted and processed at our Lagos sorting depot under anti-contaminant and moisture-control supervision, and checked before dispatch.
